

Rio +10 International Workshop organisers are grateful for the financial support of:

- Heinrich Böll Foundation (Germany)
- Green Forum (Sweden)
- Ministry for Foreign Affairs of Finland
- Goldman Foundation (US)
- AUSAID (Australia)

The workshop has been organised by

HEINRICH BOLL FOUNDATION

The Heinrich Böll Foundation is a German foundation whose work is based on the values of ecology, democracy, gender democracy, solidarity and non-violence. It co-operates with a large number of NGOs and supports roughly 150 projects in 54 countries. A major focus at present is the tenth anniversary of the Rio Earth Summit and the Rio+10 International Workshop is part of the Foundation's work in preparation for Earth Summit 2002.

THE GREEN INSTITUTE

The Green Institute is a newly formed non-profit association which seeks to play a major role in promoting ecological sustainability in Australia and the Asia Pacific region. It aims to work with other organisations in Australia and overseas to promote awareness of and action to achieve ecological sustainability, social justice, peace and democracy.
